WHAT TO BRING

Helmet:

Helmets are required for riding bikes in many of the parks.

Food & Drink:

Not all locations offer food and drink or have water refill stations so it's important to pack accordingly to stay nourished.

Sunscreen:

Sunscreen protects from harmful UV rays during prolonged outdoor exposure.

Appropriate Attire:

Stay comfortable and protected by wearing the proper clothing and shoes for these activities.

Charged Phone:

A charged phone allows for more reliable navigation and communication.
